

## **Internship Days – held as block courses**

- (1) These multi-day block courses, which are carried out in the second half of the practical semester, are used for the experience exchange among the students and the experience exchange between student and university. During the Internship Days the students report in a short presentation about their activities at the training institution. The students must attend all block courses personally and the training institution must allow them to participate. If a student is not able to participate a written apologize must be sent in advance.
- (2) If the practical semester is completed abroad, then the compulsory attendance at the Internship Days is no longer required. The presentation will be rescheduled in consultation with the relevant Internship Office as soon as possible.
- (3) During the Internship Days a panel session with participation of the Employment Agency and the Career Service takes place. Under the agenda
  - „The offers of the Employment Agency for graduates“
  - „Information and guidelines for a successful application“
  - „Recruitment criteria from the perspectives of the company“

a discussion session is being held, where general questions for a successful entrance in the job has priority. In this discussion session experienced staff directors of various companies of the Upper Swabian environment are taking part. The students have the chance to explicitly discuss their questions and problems with the referents.
