# WELCOME

**Friday 08.03 and Saturday 09.03**

**We, the “Verfasste Studierendenschaft” of the RWU, would like to invite you to this summer semester’s Campus Camp!**

The **Verfasste Studierendenschaft** (VS, “student union”) consists of all RWU students – so you are already a part of the VS.

We organize a variety of events, such as the Campus Camp and advocate for your interests regarding your studies.

# ERSTI-GROUP

**Friday 08.03 and Saturday 09.03**

Come and join the Ersti-Group!

A telegramgroup chat for all first semester students in summer semester 2024. Here you can connect with others and we will inform you about changes to the program (e.g. in case of bad weather)

Please join the group even if you don't attend the campus camp so you don't miss any information.
